

Florida Department of Health in Leon County

As one of 67 county health departments administered through the Florida Department of Health, DOH-Leon shares the DOH mission and vision: **to protect, promote and improve the health of all people in Florida, and be the healthiest state in the nation.**

The Florida Department of Health in Leon County (DOH-Leon) has served the residents of and visitors to Leon County since 1931.

Today, DOH-Leon offers more than 15 programs and services at four locations in Tallahassee.
